

Lifelynk Outdoor Cabinet

The perfect solution for your Lifelynk.

Introducing the Lifelynk Outdoor Cabinet, the ultimate protection and storage solution for your Lifelynk system.

It isn't always practical, or appropriate to install your Lifelynk internally. The external cabinet allows you to install just about anywhere you need to.

Suitable for both new build and retrofit solutions, the cabinet features a sleek, attractive design, and is IP44 rated, meaning that it's at home in the elements. The cabinet features an integral floor mount, allowing it to be secured down to any appropriate surface.
